

HNU Wireless Authentication

How to connect with Windows 7

1. On the bottom Task Bar, click on the WiFi Icon.

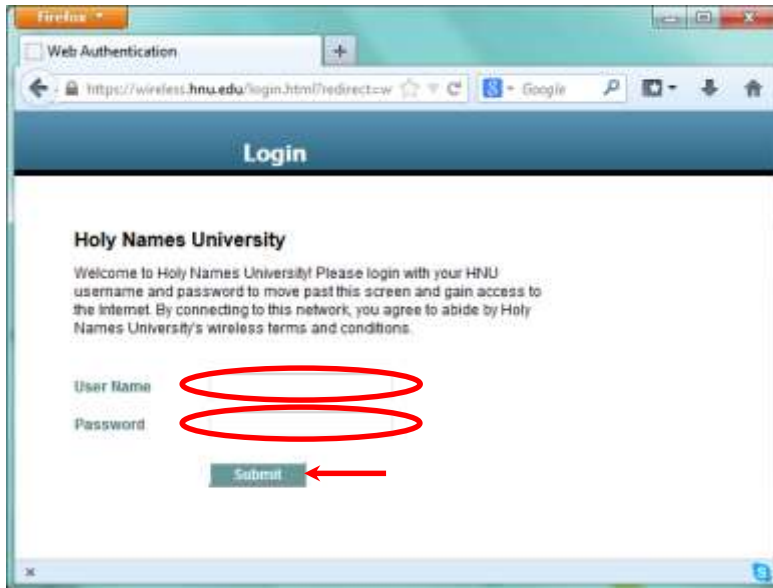

2. Click on "HNU_Student" (for students) or "HNU_FacultyStaff" (for faculty & staff).

- 2.1. Click on "Connect":

3. Open Firefox or Internet Explorer and go to any OTHER web page, you will be redirected to the "Web Authentication" web page.
Login with your HNU email "User Name" and "Password"

3.1. Notes for: Student “User Name” and “Password”...

- **Username = firstname_lastname** (For example, brian_williams)
 - Do not include any spaces or special characters such as apostrophes or hyphens.
 - Usernames are only **the first twenty characters** of your firstname_lastname, including the underscore. For example, the username for Eugenia_SchneiderGreenlandRansom would be Eugenia_SchneiderGre
- **Password = your 7-digit student ID number** (Ex: 1234567)
 - **NOTE: For NEW students beginning Spring 2014, your password = your 7-digit student ID number followed by “HNU!”** (Ex: 1234567HNU!) (Passwords are case sensitive.)

3.2. Notes for: Faculty & Staff “User Name” and “Password”...

- **Username** = bsmith (The first part of your campus email address, before the @)
- **Password** = the password you use to log in to the Holy Names network (for adjuncts, this is always your HNU email password)

When you see the HNU web site, you are connected and can browse the internet.

If you cannot connect to the HNU WiFi successfully after following these instructions, please contact the HNU Helpdesk with the on-line ticket system at helpdesk.hnu.edu, phone at 510-436-1611, in person on-campus at 657 Heafey, or by e-mail at helpdesk@hnu.edu.
