

CONFIDENTIAL
Report of Suspected Violation of
Academic Dishonesty

A faculty member who suspects a student has violated Holy Names University's Procedures on Academic Dishonesty shall meet with the student face-to-face to discuss the matter with the student and hear the student's response. If, despite the faculty member's good faith effort to schedule such a discussion, the student fails to meet, the faculty member should complete the investigation, impose their recommended penalty, and complete this form within 15 days of the suspected violation.

After meeting with the student and conducting any additional investigation needed, the faculty member shall make a decision as to whether misconduct occurred.

- If the faculty member concludes that no misconduct occurred, the matter ends there. There is no academic sanction imposed, and there will be no record in the student's file of a dishonesty charge.
- If the faculty member concludes that academic dishonesty occurred, s/he may impose an academic sanction for the course. Sanctions that may be imposed by the faculty member include but are not limited to those listed on the attached form.

The faculty member should use this form if, at the conclusion of the informal student conference, s/he concludes that the student in question violated the Policy on Academic Honesty, or the student in question failed to meet with the faculty member. The faculty member completes and returns this form to the Associate Vice President for Academic Affairs located in Brennan 44 who tracks student conduct.
