

## **Policy on Student Health Insurance**

### **Office of the Vice President for Student Affairs July 2018**

HNU strongly encourages **all** students to carry health insurance that meets Affordable Care Act (ACA) requirement for having health coverage.

While HNU does not require domestic students to carry insurance (the ACA does), HNU does require *all international students to carry health insurance. At the time of admission to the University, international students must submit to HNU appropriate information describing the nature and scope of their health insurance coverage.*

Questions concerning this policy should be directed to the Vice President for Student Affairs.
