

## Where can I see my class schedule for the semester to verify that it is correct?

After you make changes (for example, adding or dropping) to your class schedule for the semester, you should confirm that your classes are correct by viewing your schedule online by using Hawk's Edge. Follow the steps below to view and verify your class schedule.

- 1) Log in to Hawk's Edge: <https://community.hnu.edu/studentportal>
- 2) At the top of the page, click "Register For Classes"
- 3) Next, at the top of the page, hover over "Registration" and click on your schedule (it will have your name + schedule), see below image:

- 4) After you click on "your schedule", it will look similar to the image below. Your schedule will **NOT** show waitlisted classes. Only classes in which you are completely enrolled will appear on your schedule.

- 5) If your schedule appears incorrect, please contact the **Student Resource Center** as soon as possible.

Email: [studentresourcecenter@hnu.edu](mailto:studentresourcecenter@hnu.edu)

Phone: (510) 436-1133

Fax: (510) 436-1199

Location: Hester Administration Building, Room 11

We recommend that you check your schedule before the beginning of the semester to make sure your classes are correct. Please **do not wait** until after the last day to add or drop classes to confirm your class schedule. The sooner you notify us, the sooner we can help you to correct the error.

If your Hawk's Edge schedule does not match your classes in Blackboard, you will need to contact Help Desk at [helpdesk@hnu.edu](mailto:helpdesk@hnu.edu) or (510) 436-1611.
