

STUDENT REGISTRATION PLANNER

CHECKLIST:

- Check your degree audit for requirements you still have left to complete
- Review the course schedule to find course options, dates, & times
- Write down your top course choices below & bring to your advising appointment
- Check your Hawks Edge for any holds that may prevent you from registering
- Think about workload. How many classes should you plan to take?
- Check your college level math progress. Done? Great! Not done? Remember to discuss with your advisor

REMEMBER:

- Make sure to go online to schedule an appointment with your advisor
- Check the HNU Catalog for course descriptions and prerequisites
- You can still meet with an advisor even if you have a hold on your account
- Be prepared to discuss your academic & non-academic plans with your advisor
