

Welcome HNU Students

Our Admissions Team is here to support you!

We're here to make transferring to Dominican easy and painless so that you can keep moving toward your goals without interruption!

- If you were admitted to an undergraduate program at HNU, you will be automatically admitted to Dominican for Summer/Fall 2023. Depending on your major/discipline and academic standing, you may need to meet additional requirements. If your current major will not be offered at Dominican or you do not meet the qualifications for the Dominican major you wish to enroll in, you will be offered an alternative option.
- Dominican will match undergraduate HNU tuition for individuals, as per their award letters.
- For articulation agreements, please visit: dominican.edu/admissions/transfer-admissions-agreements
- Graduate students will need to meet with the Department Chair to further discuss details – please contact a graduate counselor.

Our Admissions Office and Transfer Counselors are happy to help answer any questions you may have and make your transition as seamless as possible.
