- B. Qualifying Criteria.** To qualify for the teach-out of their program at Saybrook University (and be considered an “Eligible HNU Student”), HNU students must provide a transcript or other acceptable form of evidence from HNU of active enrollment status and good academic standing through the Spring 2023 term in one of the HNU programs listed in Section II.A. HNU students who are not in good academic standing or who cannot provide proof they were in good academic standing under HNU’s academic policies will be reviewed for admission by Saybrook University’s academic program admissions committee. Former HNU students and HNU students who are on a leave of absence shall be approved for eligibility based on an individual review by Saybrook University’s academic program admissions committee. In all instances Saybrook University’s decision is final and not appealable.
- C. Application Fees.** Saybrook University will waive admission application fees for HNU students applying to Saybrook University under this Agreement.
- D. Admission.** Saybrook University shall pre-approve admission of all Eligible HNU Students.
- E. Enrollment.** Eligible HNU Students admitted to and enrolled with Saybrook University (“HNU Transfer Students”) shall be subject to all Saybrook University policies, procedures, codes of conduct, and requirements as provided for in the Saybrook University Student Handbook and Academic Catalog currently in effect (“Saybrook University Handbook and Catalog”). Students enrolling at Saybrook University under this Agreement will be required to meet Saybrook

University’s satisfactory academic progress requirements as published the Saybrook University Handbook and Catalog.

- F. **Term and Termination.** The Agreement will become effective and commence upon the signature of HNU and Saybrook University and the approval of WSCUC (the “Effective Date”). Eligible HNU Students shall be able to enroll at Saybrook University within a period of two (2) academic semesters (Fall 2023 and Spring 2024).

- G. **Transfer Credit.** Saybrook University will accept all earned credits based on HNU’s degree completion audit or official transcripts. If a degree audit or official transcript is not available, Saybrook University will conduct an audit based on an unofficial transcript or other documentation provided by the Eligible HNU Student. Determination of requirement fulfillment in the latter case is at the sole discretion of Saybrook University and not appealable. Saybrook University will suspend residency requirements (i.e. requirement to take a minimum number of credits from Saybrook University) for HNU students transferring to Saybrook University under this Agreement.

- H. **Tuition.** Tuition charged to HNU Transfer Students by Saybrook University for the 2022-2023 Academic Year shall be at the rate per credit hour provided in the table below for the applicable program. Tuition shall be subject to annual increases as determined by Saybrook University each year for all Saybrook University programs. In each case the rate was chosen because it was the lower of the two rates published by Saybrook University and HNU for the applicable program. All HNU Transfer Students will pay the fees as published in the most current Saybrook University Handbook and Catalog. This pay structure will be adhered to for two (2) years for Masters programs. After these timeframes, the tuition structure will be re-assessed by Saybrook University and a determination will be made if it will continue forward for remaining students.
