- B. Qualifying Criteria.** To qualify for the teach-out of their program at TCSPP (and be considered an “Eligible HNU Student”), HNU students must provide a transcript or other acceptable form of evidence from HNU of active enrollment status and good academic standing through the Spring 2023 term in one of the HNU programs listed in Section II.A. HNU students who are not in good academic standing or who cannot provide proof they were in good academic standing under HNU’s academic policies will be reviewed for admission by TCSPP’s academic program admissions committee. Former HNU students and HNU students who are on a leave of absence shall be approved for eligibility based on an individual review by TCSPP’s academic program admissions committee. In all instances TCSPP’s decision is final and not appealable.
- C. Application Fees.** TCSPP will waive admission application fees for HNU students applying to TCSPP under this Agreement.
- D. Admission.** TCSPP shall pre-approve admission of all Eligible HNU Students.
- E. Enrollment.** Eligible HNU Students admitted to and enrolled with TCSPP (“HNU Transfer Students”) shall be subject to all TCSPP policies, procedures, codes of conduct, and requirements as provided for in the TCSPP Student Handbook and Academic Catalog currently in effect (“TCSPP Handbook and Catalog”). Students enrolling at TCSPP under this Agreement will be required to meet TCSPP’s satisfactory academic progress requirements as published the TCSPP Handbook and Catalog.
- F. Term.** The Agreement will become effective and commence upon the signature of HNU and TCSPP and the approval of WSCUC (the “Effective Date”). Eligible HNU Students shall be able to enroll at TCSPP within a period of three (3) academic semesters (Summer 2023, Fall 2023 and Spring 2024).
- G. Transfer Credit.** TCSPP will accept all earned credits based on HNU’s degree completion audit or official transcripts. If a degree audit or official transcript is not available, TCSPP will conduct an audit based on an unofficial transcript or other documentation provided by the Eligible HNU Student. Determination of requirement fulfillment in the latter case is at the sole discretion of TCSPP and not appealable. TCSPP will suspend residency requirements (i.e. requirement to take a minimum number of credits from TCSPP) for HNU students transferring to TCSPP under this Agreement.

H. **Tuition.** Tuition charged to HNU Transfer Students by TCSPP for the 2022-2023 Academic Year shall be at the rate per credit hour provided in the table below for the applicable program. Tuition shall be subject to annual increases as determined by TCSPP each year for all TCSPP programs. In each case the rate was chosen because it was the lower of the two rates published by TCSPP and HNU for the applicable program. All HNU Transfer Students will pay the fees as published in the most current TCSPP Handbook and Catalog. This pay structure will be adhered to for three (3) years for undergraduate programs and two (2) years for Masters programs. After these timeframes, the tuition structure will be re-assessed by TCSPP and a determination will be made if it will continue forward for remaining students.
